**A MESSAGE FROM PRESIDENT LILY**

**Attention Committee Chairs and Officers:**

**Annual committee and financial reports are due to President Lily by May 1. Your reports are needed so that Lily can complete her club report to the District. Be sure you have them in on time.**

I would like to take this time to thank the club members for the lovely plant and many cards that my husband and I received since his surgery. His plant

looks great on our dining-room table and I am enjoying it.

I hope that by now, you have all checked out our district web site. On the International and district site there is an article about the SAY NO-UNITE project. It is a global effort to end violence against women. You can add your name to the petition.

For new members; previously I informed you that

you could find your ID number on the back of your Zonta magazine; well it was not published on the last magazine. You can obtain your ID number from our treasurer. Let me know if I can be of any assistance to you accessing the international, district or our club's web sites.

**SAY NO-UNITE CAMPAIGN UPDATE FROM BERYL STEN, INTERNATIONAL PRESIDENT**

With Zonta International's support of the UN Trust Fund, the Say NO - UNITE to End Violence Against Women campaign successfully reached its goal of 100,000 actions by International Women's Day. Zonta's US\$100,000 donation was featured on the Say NO website, and our participation was highlighted in the announcement that the campaign had met and

surpassed its initial goal of 100,000 actions.

Zonta International is now focused on helping the campaign reach its next goal of 1 million actions by November 2010. With more than 30,000 members worldwide, Zonta can have a big impact; however, only 937 individuals have added their names to the global call on Zonta's Say NO page. I encourage every

Zonta club to hold a club meeting during which every member of the club can add his/her name to the global call to end violence against women. To add a name to the global call, please click on the image below or visit <http://www.saynotoviolence.org/join-say-no/zonta-international-unites-say-no-violence-against-women>.
