"AMELIA" MOVIE - A RESOUNDING SUCCESS

On both January 15th and 16th, the Reg Lenna Civic Center had the best turn out for a movie night that it had had in TEN years! "Amelia Earhart" attracted over 250 movie goers each night. And that was great for our club. See what two of our members had to say....

Marcia Bliss-
"The 50/50 drawings made a total of \$216, the basket raffles made a total of \$486 and the

baked goods brought us \$ 80 for a grand total of \$ 782 for the two nights.

Everyone did a fantastic job of supporting the event. I especially have to thank Rosie Papalia for

her dedicated publicity and many hours of work from the posters to the radio promotion to the Saturday Breakfast Party and things that I am sure I don't know of. Also, thanks to Gale Svenson-Campbell for doing a great job with the Basket Raffle and to Liz Frederick for working out all the food details."

Rosie Papalia-
"Amelia" was a greatly successful event! Thanks

to you, the ladies of Zonta, from the Public Relations Committee for your help, hard work, and willingness to help spread the word!

Primarily a public relations event, "Amelia" at the Reg Lenna Civic Center in Jamestown spread our word and mission of Zonta to over 500 people AND garnered nearly 800 more dollars in Service Funds.

Please see us online at zontajamestown.org, or on Facebook for pictures and our press release thanking the community for coming to "Amelia".

Congratulations, ladies, and a big thank you to all who worked at the event or helped in any way!

A MESSAGE FROM PRESIDENT LILY

"Amelia" movie, another successful venture! A friend asked me if the ladies working in the lobby were Zontians. When I said, yes they were (with pride), she said, "They were all so amiable and knowledgeable. They lent a certain aura to the event." Way

to go ladies!

Many of you have heard of Alma Patterson, a past District 4 Governor, member of Zonta Club of Niagara Falls and close friend and travel partner of Mary Lou Costanzo. Turns out she is also the aunt of incoming District Governor,

Bonnie Crogan-Mazur.

Don't miss February's program which will feature Lorraine Walker from Striders speaking about their mentoring program. She will be joined by one of the mentees to tell us what the mentoring program has personally done for her.

Help for Haiti

As most of you know, several of our members have been active in providing help to those in Haiti even before the recent earthquake.

Mary Brooks, nurse anesthetist, plans to travel to Haiti soon and Mary Rap-pole along with her husband, Bert, will likely follow at a time when their skills can be put to the best use. If you would like to support their efforts to bring antibiotics, other supplies and medical assistance to this devastated country, there

are two organizations that they work with which can receive your donation.
